SANTA CRUZ COUNTY BANK EIN: 13-4265907 Attachment to IRS Form 8937

The information contained herein is being provided pursuant to the requirements of IRC Section 6045B and includes a general summary regarding the application of certain U.S. federal income tax laws and regulations relating to the effects of the transaction described below on tax basis in shares.

The information and examples provided below are illustrative only and are being provided pursuant to IRC Section 6045B and as a convenience to shareholders and their tax advisors. Shareholders should consult their tax advisors regarding specific consequences of the transaction , including the applicability and effect of all U.S. federal, state and local tax laws and foreign tax laws.

Part II, Question 14: Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action.

Effective as of August 18, 2023, West Coast Community Bancorp (the "Company") acquired all of the issued and outstanding shares of the Voting Common Stock of Santa Cruz County Bank (the "Common Stock"), which were the only issued and outstanding shares of the Bank's capital stock, in a share exchange (the "Reorganization ") effected under laws of the State of California and in accordance with the terms of the Plan of Reorganization and Merger Agreement between the Bank and the Company (the "Share Exchange Agreement") dated April 7, 2023. As a result of the Reorganization , and pursuant to the Share Exchange Agreement, at the Effective Time, each issued and outstanding share of Bank Common Stock was converted into and exchanged for one share of Company Common Stock, and the Bank became a wholly owned subsidiary of the Company.

The Reorganization and resulting stock exchange is intended to qualify as a tax-free reorganization under IRC Section 368(a)(1)(B). No gain or loss will be recognized by holders of the Bank Common Stock upon the issuance to them of Company Common Stock pursuant to the Share Exchange Agreement.

Part II, Question 15: Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis.

The aggregate tax basis of the Company Common Stock received by Bank shareholders in the Reorganization will generally be the same as the aggregate tax basis in the Bank Common Stock immediately prior to the effectiveness of the share exchange.

Part II, Question 16: Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates.

See response to Question 15.

Part II, Question 18: Can any resulting loss be recognized?

The Reorganization and resulting stock exchange is a nonrecognition transaction for which no loss can be recognized.

Part II, Question 19: Provide any other information necessary to implement the adjustment, such as the reportable tax year.

The reportable event occurred on August 18, 2023 and is reportable in the shareholder tax year that includes that date.

This information does not constitute tax advice and provides a description of common tax consequences, but does not purport to describe all tax consequences that may apply to all types of shareholders. Each shareholder should consult their own tax advisor regarding the specific consequences of the stock

exchange on tax basis and holding period, including applicability of any U.S. federal, state and local, and foreign tax laws.
