PHONE SUPPORT

Extended hours begin
Monday, December 16, 2024

8am to 6pm Weekdays

9am to 12pm Saturdays

831.264.4000

Prior to Friday, December 13, 2024, take note of the following information and important final steps to prepare for an easier transition:

- 1. Update your browser to the most recent version** of Google Chrome, Mozilla Firefox, Apple Safari or Microsoft Edge to ensure compatibility and to enhance security.
- 2. Locate your current login ID and password** to enter manually during your initial login to your new online and mobile applications.
- 3. Prepare accordingly for downtimes prior to this systems integration.** Schedule your online, bill payment and mobile banking needs around the planned transition time.
- 4. If you use Sage, QuickBooks, Quicken or other third-party software,** action is required on your part. Visit the [merger information resource page](#) for instructions and important actions to be taken by December 13, 2024.
- 5. Recurring transactions will need to be rescheduled**, with the exception of Bill Pay. The Bill Pay payees that you currently have set up through 1st Capital Bank and all of your transaction history will transfer over to Santa Cruz County Bank's Bill Pay service. Scheduled and recurring ACH, wire and internal transfers will need to be rescheduled. Please print these schedules prior to December 13, 2024, and plan accordingly to ensure no disruption to recurring transactions including payroll.
- 6. Online templates** for wire transfer and ACH will transfer to the new system.
- 7. Business CardValet went offline beginning December 9, 2024.** You will need to re-enroll in CardValet on Monday, December 16, 2024, and set up any desired alerts and card controls as they will not transfer over.
- 8. Personal Card Management (My Cards) went offline beginning December 9,**

2024. You will have access to card management on Monday, December 16, 2024, at which time you will need to reset any existing alerts and card controls as they will not transfer over.

9. Check images and statements created between July 20, 2024, and December 13, 2024, will be available through online banking in February 2025. We recommend downloading items created during this time period prior to December 13, 2024.

10. Remote Deposit Capture (RDC) users will access the system through a direct link: <https://ipabcprod.fiservsco.com/WebCaptureWeb/> We recommend that you save and bookmark this important RDC link. Your RDC login credentials will not change.

11. Your daily debit card limit(s) will be temporarily lowered starting Friday, December 13, 2024, at 5pm through Monday, December 16, 2024, at 5am. During this time period, limits for debit card point of sale transactions will be \$500 per day and ATM withdrawal limits will be \$100 per day. Please note that these limits will reset each day. Beginning at 5am on Monday, December 16, 2024, your card(s) will reset to regular limits.

12. On Monday, December 16, 2024, the URL to access your online banking will change. If you currently have a direct link bookmarked, the link will not direct you to the new online banking. You will access your new online banking at sccountybank.com.

First time login on or after December 16, 2024:

- From the Santa Cruz County Bank website, sccountybank.com, select the LOGIN box and enter your current login ID and password. See image below.
- After initial login, you will be prompted to create a new password. As an added layer of security, users will be sent a one-time secure access code via phone call, text message or email for authentication purposes.
- Each designated user for your business online banking will be prompted to create a new password after their initial login.

Your new mobile banking app

- Your 1st Capital Bank Mobile Banking app will be discontinued on Friday, December 13, 2024, after 1:00pm PST.
- On Monday, December 16, 2024, download the Santa Cruz County Bank mobile banking app through the App Store or Google Play.
- If you have not already logged in through online banking (step 2 above), you must do so before you can access the Santa Cruz County Bank mobile application.

- Then, open the app and log in with your Santa Cruz County Bank online banking login ID and password.

Note: 1st Capital Bank and Santa Cruz County Bank will operate under a new name, West Coast Community Bank, in spring 2025. We'll be in communication with more details on this exciting new change in the months ahead!

The mobile banking app works best with current operating systems.

Review the chart below for operating systems that are supported to ensure your device is ready.

MOBILE APP OPERATING SYSTEMS	
Android 11.x and later	Supported
Android 10.x	Limited support
iOS 16.x and later	Supported
iOS 15.x	Limited support
WatchOS 9.x and later	Supported
WatchOS 8.x	Limited support
